## Prairie Lakes Coop Earns National Sukup Dealer Award

Photo: Jay Heinze

*Sheffield, Iowa* – Jay Heinze of Prairie Lakes Coop was awarded a Sukup Top Dealer Award during the company's Dealer Meetings held recently in February. Prairie Lakes Coop out-sold dealers from across the country to earn this award.

"Prairie Lakes Coop's dedication to their customers and Sukup's dedication to producing the best Products on the market make for a winning combination, as is evidenced by Prairie Lakes Coop earning a Sukup Top Dealer award for 2009," said Rob Poush, Territory Manager for Sukup Manufacturing Co.

Jay Heinze, Prairie Lakes Coop Hardware Supervisor commented, "I enjoy serving our local customers and want to thank them for their support. Sukup offers quality products."

Prairie Lakes Coop has been serving customers with quality grain drying and storage solutions for 30+ years. Prairie Lakes Coop headquarters out of Starbuck and services customers through there locations in Cyrus, Elrosa, Hoffman, Glenwood, Lowry, Long Prairie, Park Rapids and Starbuck. They sell and service the complete line of Sukup Grain Storage, Drying and Handling equipment, including Sukup Grain Bins.

Sukup Manufacturing Co. produces a full line of grain drying, handling and storage equipment. The Sukup product line includes farm and commercial grain bins, continuous flow grain dryers, tower dryers, axial and centrifugal fans and heaters, the Fastir™ Stirring Machine, bin unloading equipment, bin floors, and a variety of other grain handling accessories. Along with the main manufacturing facilities in Sheffield, Iowa, Sukup Manufacturing Co. also owns and operates distribution centers in Arkansas, Illinois, Missouri, Nebraska, Ohio, and South Dakota.
